

CTH F Bridge Replacement to be discussed at

December 3, 2015 Informational Meeting

Planned replacement of the CTH F bridge located in Section 33, T-19-N, R-09-W, Township of Trempealeau, Trempealeau County, will be discussed at a public information meeting on Thursday, December 3, 2015, the Trempealeau County Highway Department announced today.

The meeting will be held from 2 to 3 p.m. at the Town of Trempealeau Town Hall, located at W24854 State Rd. 54/93, Galesville, WI 54630.

Trempealeau County is proposing to replace the bridge carrying CTH F over the Tamarack Creek and to reconstruct the adjacent roadway approaches. Proposed improvements include a new widened bridge and asphaltic roadway approaches near the bridge. Trempealeau County is proposing to close CTH F to through traffic during construction. No detour will be posted. Alternate routes are available. Trempealeau County welcomes comments on the proposed road closure at the meeting. Construction is currently scheduled for spring, 2017.

The December 3 meeting will be conducted in an open house format with a variety of exhibits and maps available for review. Representatives from Jewell Associates Engineers, Inc. will be on hand to answer questions throughout the afternoon. Attendees will have the option of making written or verbal comments during the gathering.

Persons who are unable to attend on December 3 can contribute comments about the project by contacting Ellery Schaffer, P.E. at:
